**DG Victoria and
Richard Cochrane**

Victoria Cochrane, (nee Hackett) was born in Adelaide on the 10th November 1960, the eldest of 2 girls and a boy. Growing up in the eastern suburbs of Melbourne, Victoria's first appointment after graduating from teacher's college was at a pre-school play centre at Loch in South Gippsland, where at the end of the year, she met Richard Cochrane, the eldest of five children. Richard grew up on a dairy farm in Nyora. and was just completing 4 years as an apprentice boiler maker.

Victoria and Richard married on April 28th, 1984 and began their family with two sons, Kristopher and Tristan on a dairy farm at Yanakie, Wilson's Promontory in South Gippsland. In 1989 they moved to Tasmania to continue their dairy farming journey and had a third son, William, in 1991. After 9 years, they left farming, with Victoria teaching full-time and Richard working as a boiler maker. He is now Potato Storage Manager with McCain.

Victoria taught in Tasmanian public and private schools as a classroom teacher and literacy specialist, retiring in 2018. Her highest qualification is a Master of Education with Honours. She discovered her psychic gifts in 2008 and works part-time as a psychic reader, medium, spiritual healer, psychic channel and tutor. She has self-published four books, and more recently, a set of oracle cards.

The Cochranes joined the Rocky Cape Lions Club in 2014, and quickly became fully involved in the club and its service activities. Victoria served as president, secretary and membership chair, while Richy has been vice-president and then held the presidency for 5 years. Both are very active in all club fund-raising and service activities and are major organisers of the club's annual car show. Richard has been voted "Member of the Year" twice, and both Victoria and Richard have received recognition from their club with TLF Fellowships. Victoria has been Zone Chair for two years and Regional Chair before stepping onto the DG pathway. She was awarded an International President's Leadership Medal in 2022.

Victoria and Richy live at Detention River and own the house next door, which they operate as a short-term stay rental. They enjoy gardening, fishing and entertaining, when they have time! They celebrate their fortieth year of marriage this year, 2024.

Code of Ethics

To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labour and means.

To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To Be Careful with my criticism and liberal with my praise; to build up and not destroy.
