Welcome to the Council Chairperson e-Book!

This e-Book contains helpful information to guide you through your year as a council chairperson.

It's easy to navigate the e-Book. Just click on the various sections contained in the Table of Contents to jump to each task you perform to fulfill your role. From there, you will find useful information and hyperlinks that take you directly to tools, resources and documents that will empower you to explore new ways to implement impactful service activities in your local community.

Prepare to Lead; Prepare to Succeed

As council chairperson, you have the important and rewarding task of coordinating the multiple district in its quest to advance the purposes of Lions Clubs International. Because each multiple district is different, and each council chairperson has different styles of coordination, this guide's intention is to offer suggestions and information that should be adjusted to suite your local conditions and needs. However, it must be emphasized that the multiple district council chairperson is expected to be a coordinator and a facilitator of the council of the district governors. You are the link among the district governors who are individually responsible to their own districts.

Spend time learning about the role, attending training and planning to fulfill the responsibilities of your position prior to the start of your term in office to help better support your district governors and clubs.

A strong and supportive multiple district can provide district and club leaders with direction and support to help them effectively fulfill their role. Multiple districts often provide leadership training, support ongoing multiple district service projects and encourage overall membership growth.

Getting Started Locally

Many presentations and learning opportunities are available to prepare clubs, districts, and multiple districts in planning and implementing projects funded by LCIF. To facilitate education about LCIF grants in your zone:

Working with the LCIF Multiple District Coordinator

LCIF district coordinators are appointed by the LCIF Chairperson as members of the district cabinet. They serve in this role to help the multiple district and the council chairperson reach their LCIF fundraising goals. It is important to begin working with your multiple district coordinator right away to plan a strategy including:

- Strategizing about fundraising opportunities for your multiple district.
- Developing messaging themes important to the Lions in your multiple district.
- Planning a schedule of contact for each club in your multiple district
- Setting recognition goals for the multiple district.
- Making sure your multiple district coordinator is invited to speak at district conventions and zone meetings.

Supporting LCIF

The grant funding mentioned above is only possible through continued support of LCIF from Lions, Leos, Lions clubs, partners and friends of the foundation. Every donation to LCIF makes a difference, no matter the amount, and every dollar donated transforms into life-changing service that brings hope to a world in need. Our world continues to need Lions. And Lions need funding from our global foundation to magnify the impact of their service.

Preventing and Resolving Disputes

The purpose of Lions Dispute Resolution Procedures (DRP) is to provide a mechanism for resolving disputes within the Lions organization without the need for a formal evidentiary hearing. To achieve this goal, the International Board of Directors have adopted the rules of procedure for hearing complaints, disputes or claims arising from the International Constitution and By-Laws, International Board Policy or matters arising at the club or district (single, sub and multiple) level. It is an obligation of membership to pursue all complaints, disputes or claims in accordance with the International Constitution and By-Laws and policies and procedures adopted by the International Board of Directors. Accordingly, the International Board of Directors have adopted the Club Dispute Resolution Procedure, District Dispute Resolution Procedure and the Multiple District Dispute Resolution Procedure as the acceptable DRP policies to resolve Lions issues at the club, district and multiple district levels.

- [Dispute Resolution Guidelines](#) - The guidelines are intended to assist Lions members, clubs and districts (single, sub and multiple) in following the Club, District and Multiple District Dispute Resolution Procedures when conflicts cannot be resolved through informal processes. These guides are a supplement to the policies adopted by the International Board of Directors and are not intended to replace the policies adopted by the International Board of Directors.
- [Club Dispute Resolution Procedure](#) - This procedure is designed for use to resolve issues within a club.
- [District Dispute Resolution Procedure](#) - This procedure is designed for issues between clubs or between club(s) and the district administration in relation to the district's constitution, by-laws and policies.
- [Multiple District Resolution Procedure](#) - This procedure is designed for disputes relative to issues between any clubs or sub-districts in the multiple district, or any club(s) or sub-district(s) and the multiple district administration.
- [International Officer and Vice District Governor Election Complaints Procedure](#) - This document contains the rules of procedure for hearing constitutional complaints concerning district governor, first and second vice district governor elections irregularities.
