CHRISTMAS IN THE NORTH**The Lions Step In**

Lions clubs in the Pacific Northwest saw the need, and wanted to do something to make the holidays happier. "The kids on the islands didn't have transportation to and from the big cities," according to Don Wight of the Bellingham Lions Club. "One of the islands asked if a boat that had lights on it could possibly come out to the islands with candy and toys for the kids."

That marked the beginning of the Christmas Ship. Every December for the past 60 years, Santa has suited up and stepped off the Christmas Ship to bring gifts and joy to people living in remote islands off the coast of Bellingham, Washington in the United States and British Columbia, Canada.

The Gift that Keeps on Giving

Today, Lions dressed as pirates, elves, clowns and Santa all climb aboard the Christmas Ship to create a unique holiday experience. Dozens of Lions clubs throughout Washington and British Columbia collaborate to make the project a success. "It just is inspiring to everybody there. Everybody feels it," says Judy Portas of the Abbotsford Lions Club. "It's just a vibration and they all cheer and wait. So it's just a great, great experience."

Almost all of the islands that the ship visits are home to a Lions club. And every island offers its own brand of hospitality – from bagpipes to bonfires to a fire truck escort. "It's certainly well received on the island," says Harry Lane of the Main Island Lions Club. "It's an event nobody's gonna miss, that's for sure."

Fast Facts

During the two day cruise, Lions give away approximately 800 gifts to children and seniors. Santa also makes time to visit with the elderly and homebound during this event.

**UPCOMING LIONS INSTITUTE COURSES****1. EMERGING LIONS INSTITUTE (ELLI) ROTORUA NZ 14-16th MARCH 2015**

The ELLI is an LCI programme and they will provide the faculty and carry out all the organisation. This institute is open to Lions who have not yet attained the position of club president (Charter presidents are eligible). It is also a live-in programme and the enrolment fee is US\$95 which also provides accommodation & meals. Travel costs are up to the individuals. **APPLICATIONS CLOSE DECEMBER 29, 2014.**

You can download details for this from the LCI website or contact me for an application form. **Please return the completed application form to me for processing.**

2. REGIONAL LIONS INSTITUTE (RLI) - PERTH 6-8th MARCH 2015

The RLI is a Multiple District run programme with partial funding from LCI. It is open to both Lions and Leos (of adult age) and is targeting those Lions/Leos wishing to take on leadership roles in their clubs. Although Multiple District does state a preference for those who have not completed a year as club president this is not a hard and fast rule and they do have a fair amount of flexibility in that regard. This is a live-in programme, hence the need for Leos to be of adult age. Enrolment cost is \$100 and this provides all accommodation & meals for the duration. Travel costs are up to the individuals. **APPLICATIONS CLOSE 23rd JANUARY 2015.**

If you would like to attend, please contact me for an application form which is in PDF format and can be filled out electronically, and also a flyer with further information. **Please return the completed application form to me for processing.**

Both institutes target a similar group of people, their content will be similar and the costing much the same. For Tasmanians, either course might be appropriate for emerging leaders, depending which would be the most cost effective (cheap airfares for instance); for Rotorua it would also be necessary for applicants to fly to Auckland and then make their way to Rotorua which is 230km from Auckland – airfares are around \$280 Auckland to Rotorua return.

CLUB EXECUTIVES

If you have identified a potential future leader whom you believe would learn and benefit from attendance at either Institute, and who would put those enhanced skills towards club service/benefit in turn, I would encourage your club to consider paying some or all of the cost for your candidate.

For Leos the cost can come from sponsoring Lions club activity account – for Lions the subsidy should come out of the club admin account.

Help following Fire devastation

Pictured right is PDG David Daniels, Kaye Williams and myself. We are presenting Kaye with a cheque for \$1,500 to help her and her husband Peter (known by everyone as Trapper).

The Williams family, sadly lost their house and all their possessions in a fire.

Since this occurred in November, they are living in a shed in very rough conditions.

Three Wise Women

(as opposed to Three Wise Men)

Do you know what would have happened if there had been Three Wise WOMEN instead of Three Wise MEN?

The WOMEN would have:

- Asked directions,
- Arrived on time,
- Helped deliver the baby,
- Cleaned the stable,
- Made a casserole, and
- Brought practical gifts (like nappies!).

What did Adam say on the day before Christmas?

It's Christmas, Eve!

Why does it take longer to build a blonde snowman? You have to hollow out it's head first.

Legana District Lions Club

A new Lions Branch Club was formed at Legana - "Legana District Lions Club" on Tuesday 2nd December 2014.

District Governor Michael Maclaren inducted eleven (11) new members at Legana Tavern.

A committee was formed in October: Amanda Olson, Robert Scott, Leigh Johnstone, John Dakin, and Peter Crack.

David Triffett "New Club Consultant" conducted a workshop on the 8th and 9th of November and on Monday 10th we put our new found skills to use and canvassed the Legana area.

A lot of hard and dedicated work was done by the committee, with letter drops, advertising and promotion over a short period of time, which paid off with a club formed of eleven (11) very enthusiastic people who are busy organizing a Christmas Raffle, and more people are expressing an interest of joining.

West Tamar Lions Club is the Sponsor Club, and soon we hope to reach 20/25 people to Charter a club. Leigh Johnstone and Robert Scott are the Guiding Lions.

Office Bearers for Legana District Lions Club are:

Secretary: Michelle Boxtel
Treasurer: Hedi Megirian

Clarence Club to celebrate 50th Anniversary

The Lions Club of Clarence turns fifty in February 2015 and will celebrate with the customary Charter Anniversary Dinner and an Anniversary Project.

The Club was chartered on 13 February 1965 and will celebrate fifty years of service to its community with a Charter Anniversary Dinner to be held at the Tasmania Police Academy in Clarence Plains on Friday, 20 February 2015.

Seeking to identify a project to mark its fiftieth year anniversary, the Club will undertake the recognition of a Clarence institution with which the Club was associated over a number of years and which continues to be perpetuated through Lions.

The Sunshine Home at Howrah was opened in 1951 to provide a holiday for Tasmanian schoolchildren. It continued to welcome some six hundred (600) children each year until 1976 when it closed through lack of funding. Clarence Lions stepped in to provide funding that assisted in reopening the home twelve months later and continued to provide funds until the home closed in 1981.

Lions continued to be involved in the Sunshine Association both in representation on management committees and in the management of funds through the Tasmanian Lions Foundation.

The Centre was purchased by the Clarence City Council in 1986 and is now operated as the Howrah Recreation Centre.

The Clarence Council has a programme of installing interpretation panels as

significant sites in Clarence and, at the suggestion of the Clarence Lions Club, will undertake the installation of such a panel at the Sunshine Home detailing its history along with a recognition of Lions involvement.

Clarence Club will enhance the location of the interpretation panel, which will acknowledge the fifty years of Lions service to the community, by planting a rose garden adjacent to the panel.

Also following our AGM, a general meeting was held and the following Grants were approved:

- Sorell** \$4500 to assist with the purchase of a motorized wheelchair for a young person.
Clarence \$750 to assist purchase for a child of a oxygen machine.

The next meeting of the Foundation will be held on March 15th 2015

Any Club wishing to submit an application please forward to Secretary no later than 2nd March or any other matter they may wish to know. Finally, we look forward to working with you.

On behalf of my self and Lions Lady Judy we wish you all a Merry Christmas and Happy New Year.

Regards Peter Burke Secretary

**TASMANIAN LIONS
FOUNDATION**

Following our AGM I am pleased to advise the following appointments:

Chairman Philip Viney (Ulverstone)
Treasurer Phil Robinson (Kgsmeadows)
Secretary Peter Burke (Riverside)

We would also like to welcome Paul Cairnduff aboard who filled the vacancy of the late Alan Holland.

Aloha Lions! The 98th Lions Clubs International Convention will be held in the beautiful city of Honolulu, Hawaii, USA, June 26th – June 30th, 2015.

Honolulu is like paradise. Over 100 beaches surround Honolulu, more than any other city on the earth. You can relax on the white sandy beaches of Waikiki, hike the magical trails on Diamond Head crater, and view incredible waterfalls such as Waimea and Maunawili Falls are among the many favorites not be missed. Also, take time to explore the history Honolulu offers. The USS Arizona Memorial is a renowned portrayal of World War II, while the Pearl Harbor Park provides a sobering yet stunning piece of history that will never be forgotten. In today's ever-changing world, Lions from all walks of life symbolize a 'ray of hope' in their commitment to touch the lives of those in need. LCI's convention offers a once-a-year opportunity to meet together to discuss the important matters of the day that will form the future of our association, and to create new friendships along the way.
