FROM THE DESK OF DG MICHAEL

Another busy and interesting month!

After arriving back from Adelaide Club visits commenced with City of Launceston Club where Membership has decreased but those members remaining were still active in their Projects with financial assistance to local families and Scholarships to local schools.

From there it was a delight to visit my home club, City of Burnie, a small Club but very active with Projects and a very busy time coming up with their new venture, the Lego Expo and building a Lego wall which will be the longest and hope to be recorded in the Guinness Book of Records.

The City of Devonport Club was the next called upon - a great Club and members extremely hospitable - their fellowship before their dinner meeting was excellent. The Club is trying hard to attract new members but in so doing are participating well with their Projects - Taste of the Harvest, assisting with the Race Gates and various barbecues.

Travelled to the beautiful East Coast and met with the Glamorgan Club. Very active with eighteen (18) members and many Projects plus organising a social weekend to New Norfolk. Busy with their Chocolate Wheel, barbecues, Country Fair, Sheep Marbles and organising a day and night of catering for early January.

From there onto Brighton where a business meeting was attended. The Club worked with Sandy Bay, New Norfolk and Glenorchy Clubs in chopping loads of firewood for local families. Their Projects include gate keeping for Hobart Sporting Car Club and Carols at Brighton plus selling Christmas Cakes.

Kings Meadows was the next visit where a

new member was inducted. An extremely active club with Projects including assisting with race gates, garage sales, Bunning's Barbecues, Tree Planting, Youth of the Year, Peace Poster, catering and many other items.

What a delight to visit the Port Cygnet Club with nineteen (19) members. A very happy group of Lions and very active with their many Projects. Barbecues, Open Garden Scheme, Cygnet Water, their new project, footy gates etc.

A fun night was had at George Town Club. The President was presented with a Community Award - well done Margaret. The nineteen (19) Member Club is conducting heaps of Projects - garden work at The Cove, Quiz Night, Christmas Parade, Jobs Expo, Collections for 65 Roses and Daffodil Days and so on.

Quite a change in visiting Hobart Town with a luncheon Meeting. A very hospitable Group and also busy with their Projects - Variety Santa Run, Circus Quirkus, Freezin for a Reason coming up in 2015, Canteen, Tasmanian Racing Commission gates, Cakes and Mints etc.

The same evening I attended Sandy Bay Club as a guest, quite a change!

From there and the last visit for September was Launceston Windmill Hill Club and again a very busy Club with very active and happy members. During the evening two (2) new members were inducted. The Club is very active with AGFEST, St Giles Truckies Picnic, City Mission Food Drive, Daffodil Day, Youth of the Year, Cakes and Mints plus many more.

It was a sad time during the month attending Lion Alan Holland's funeral. Alan made a tremendous contribution to Lions and worked tirelessly for the Tasmanian Lions Foundation. A true gentleman and loved by so many, our Lions Family will miss him very much. Our love goes out to Judy and the Family.

Also it was sad to say goodbye to Lion Max Maynard a charter member of Glenorchy. Lion Max had contributed so much to Lions in our District.

Our Lions Education Day was a great success thanks to Lion Anne Fagg our Global Leadership Team Coordinator. The day was very well attended with many Clubs represented. A happy and fun filled day and with our Speakers from Victoria and of course our Dickie from the South made the day informative as well as educational. From the evaluation forms received those attending were full of praise and asked for another day next year. Well done Anne!

A Southern Regional Meeting was held in Hobart at the Howrah Sunshine Recreation Centre and very well attended by most Clubs in the region. I thank Hester Van Niekerk for convening the evening as it was very informative with an interesting agenda and a good deal of discussion and sharing of Club Projects. It is so interesting in being involved with all the activities around our District

Our District Convention is drawing near so please get those Registration Forms in as quickly as possible. *Cont'd on page 3...*

The Committee, Bridport, Lilydale, North East and Scottsdale Clubs, has been working very well and now we come to the time of meeting as many times as we can. There will be interesting Guest Speakers and Key Note Speakers plus displays and a section for Beyond Blue – make sure as many members and as many Clubs are represented as it is our Annual General meeting.

Our Cabinet Secretary requires Reports for the Convention so make sure they arrive on time.

Congratulations are extended to Lions who have received a Monarch Chevron Award honouring them for their dedication to community service as a Lion.

LION JOHN SHORTLAND

The Lions Club of Hadspen South Esk is saddened by the passing of Lion John on Wednesday the 10th September 2014.

He made a significant contribution to the local community and to Lions. Lion John will be greatly missed by all members.

Lion Jenny Triptree

LION LEWIS MAXWELL (Max) MAYNARD

Max was a Lions member for over fifty (50) years having joined Lions in NSW at Baulkham Hills and a member of Glenorchy City Lions Club for forty (40) + years.

Max held all offices at Club level, and numerous Cabinet and District Chair offices in his Lions career and was well known in earlier years as one of the founding members of the Tasmanian Lions Foundation. **He held the number one (1) badge of a Tasmanian Lions Foundation Fellow.**

Max and Margaret were very active members for any Social function and enjoyed mixing with other Lions from all world wide clubs. They attended many District, Multiple District and International Conventions and enjoyed sharing their travelling experiences and were always the first to offer home hospitality to any travelling Lion.

He will be missed within his club and his many friends within the International Association.

Rest in Peace Max.

PDG Jack Allen - Glenorchy City Lions Club

LION DAVID BLIGH SUTTON

It is with great sadness that I have to inform you of the passing of Lion David who had been unwell for a while. Lion David was president of the Club 1986/87 and the guiding Lion of the Lilydale Lions 1988/89.

To Lions Lady Margot and family we extend our sincere condolences.

LIONS EDUCATION DAY – submitted by GLT Co - ordinator, Anne Fagg

Thank you to all those members and District Officers who attended and helped make it such a successful day.

From start to finish it was all go, beginning with our guest presenters, Ann Eldridge and Robert Kann whose professionalism and interactive content involved everyone. By the way, I still don't know what category of person I am, whether it is red, green, blue etc but each of you present seemed to have a fair idea where you fitted in. Everyone learned a lot from those sessions.

The Q&A session raised interesting and varied questions, but the panel were able to answer them without too much trouble....thank goodness. I think more time might need to be allotted in future events as I am sure there were many more questions you would like to have addressed.

As for the Mastermind session – well, what can I say.

The group spokespersons really got into it and wore their “regalia” with aplomb and panache. Chairperson Dickie Daniels (bearing a striking resemblance to Hagar the Horrible) had everyone going and controlled any unruliness with his usual flair. His statement that he would sue anyone who circulated his photo I put down to delirium because he was feeling a bit under

the weather...but what a trouper! Sorry Dickie, but your photo will become part of Tasmanian Lions History.

I have to pass on Ann & Roberts compliments to you all. They were very impressed with the turnout, had a great time and are singing Tassie's (your) praises.

I am restricted space-wise, but below is your feedback on what you liked about the day.

*Interaction and networking/interchange of ideas/friendships

Sustained interest/ well prepared/well structured, quick moving/Group work

TASMANIAN LIONS FOUNDATION

A BUSY BUT REWARDING TIME

Helping out the footy club on NTFL Grand Final Day certainly kept us on our toes. We "manned" a kiosk and a food van, selling steaks, burgers, chips, Savs, confectionary soft drinks tea and coffee etc from 8.30 until 4.30pm with barely a break. Boy those footy fans can eat!!! The footy club, as usual were very appreciative.

Now we're getting ready for the speedway season, more steaks, burgers etc for the next six months. Ah well it keeps us out of mischief!

On the weekend of the 20th and 21st of September the Trustees of the Australian Children's Mobility Foundation were in town for the launch of Walk for an Aussie Kid.

On Saturday night we hosted a concert at the Latrobe Football Club Rooms. Those present had a great evening and we raised a few dollars.

Sunday walkers were led by the Pied Piper from the Fire Station (see picture below left), ending up with a sausage sizzle at Bell's Parade (and collecting a couple of hundred dollars on the way).

A couple of interesting snippets, walking through the Sunday market a lady called me back and gave \$5.00, apparently not generally known for her generosity. Further down the street a man came dashing out of the pub with a \$20 note and they at the Axeman's Hall of Fame the proprietor made an announcement so our cheeky visitors made a detour and collected a few more dollars.

The generosity of the raffle sponsors was amazing, the performers gave their time free of charge and the footy club provided their club rooms at no cost.

The Fire Brigade members came along both on Saturday Night to help out and Sunday did

MERCHANDISING REPORT

Lions Mints

All back orders have now been fulfilled and the new machines are up and running. Tassie is on track to reach our target for 2014 - keep up the good work in refilling your outlets.

PayWay Cards

All Clubs should have received their cards by now.

Could you please advise me if you have not received this card.

Please make out your cheques to either Top Taste or George Weston Foods as they are not to be made out to Australia Post.

Delivery of Orders

Please take time to check to see that your complete order has been delivered.

It is much easier for you to **NOT** take delivery of **DAMAGED** stock at that time and also please **NOTE** on both the delivery docket that DHL or 3rd Party transport providers keeps along with your copy if you have been **SHORT** delivered stock.

Top Taste has absolutely no leverage with DHL or the other transport providers if the Club's representative signs off on receiving the delivery as **OK** and that all the stock is accounted for.

Just please take care when receiving your stock.

Should problems occur then the Club contacts the Lions Customer Service Team at Top Taste on 1800 033 366.

Ordering Cut-off Date

Reminder of the ordering cut-off date for the end of the season is Friday 5th December, 2014. The reason for the cut-off date is to guarantee delivery to Lions Clubs prior to Christmas.

Orders can still be received after the 5th December by Lions Customer Service Team but Top Taste would not be able to guarantee delivery prior to Christmas due to the 10 days business lead time. Every effort will be made to fulfill all orders but please understand that Tasmania (*being regional for deliveries*) does require an increased lead time for deliveries.

DC Sue Johns

I am desperately seeking a Southern Coordinator to assist in the running of the Youth of the Year Program in the South of the State; most of the hard work has been done already with contact to seven (7) schools/colleges informing them about the program together with entry forms/brochures and a flyer to place on their notice boards. **If you are interested in assisting the program for the South please contact me.**

I also need the support of clubs in the South to rethink about participating in this Lions Youth Program by holding a club final. There will be media coverage in the Mercury hoping to attract students to enter. **Could you please let me know if your club will be interested in the event of receiving contestants from schools/colleges/media coverage?**

Kae Campbell (Latrobe Lions) has accepted to take on Coordinator for the North West Coast, and myself in the North.

Dates of finals are set as:

Club finals to be completed by:
22nd March 2015

Regional finals to be held by:
29th March 2015

State Final to be held on:
12th April 2015
(TBA where held)

National Final held at MD Convention Newcastle on the 2nd May 2015.

Please support this great Lions Youth of the Year Program

A CHALLENGE TO ALL CLUBS

is to hold a Walk for an Aussie Kid, doesn't have to be a walk but is good fun - we're all good at sausage sizzles, so it could be a picnic in the park, in fact, anything.

WHY? because, there is still a need to help children with cerebral palsy to reach their potential and walk with pride.

WHEN? whenever you like, funds are welcome anytime!

75% OF QUEENSLAND IS STILL DROUGHT DECLARED

We are dealing with strong, proud and private country people, but their well-being is of great concern. Townsville Castle Hill Lions Club is heading this project and we ask all clubs to join us and contribute, as all districts are affected in some way. The money raised will be distributed to those who need it most, regardless of where they live.

This is NOT just for North Queensland graziers!

Aussie Helpers has been assisting rural Australians to overcome disasters for over 12 years, and we know they are the best people to deliver this project. They have the knowledge and the volunteers on the ground to see that the funds and/or fodder are directed to those who need it most. As they are all volunteers, all funds raised will get to the intended recipients.

The Federal Government wants to set up shop fronts where people can walk in for psychological assistance. This won't work in the bush! So Aussie Helpers are currently drawing up an agreement with OPTUM to deliver counselling and psychological help to graziers and their families. Optum is an international organisation which supplies assistance to companies such as BP and Coca Cola worldwide. They have so far offered their professional assistance free of charge; however there are travel and accommodation costs that need to be covered. This is where I believe LIONS CLUBS can assist.

\$500,000 HAS BEEN RAISED TO DATE BUT WE NEED TO REACH OUR TARGET OF \$1,000,000.00

THE ASSISTANCE OF EVERY LIONS CLUB IS VITAL FOR THIS PROJECT TO SUCCEED

PLEASE HOLD A SPECIAL FUNCTION / FUND RAISER SO WE CAN CONTINUE THE GREAT WORK THAT HAS BEEN ACHIEVED IN THE PAST 12 MONTHS. WE NEED TO HELP THESE PEOPLE BEFORE CHRISTMAS, SO THE TIME TO ACT IS NOW.

PLEASE DONATE SAFELY ONLINE AT www.LionsDroughtRelief.com.au

Alternately send your cheque directly to Aussie Helpers, P.O. BOX 405, CHARLEVILLE, 4470. All deposits can be tracked so that Lions Clubs will be acknowledged for their efforts.

Aussie Helpers is also a registered charity, so donations are tax deductible.

MEDIA RELEASE FROM TAMWORTH PEEL VALLEY LIONS CLUB INC

Since 1994 the Peel Valley Lions Club has sought out and honoured a country music personality who has given voluntary service to the community through his/her connection with the genre. Over the 21 years of the Award, recipients have included singers, songwriters, musicians and those who work tirelessly behind the scenes – and invariably they are quiet achievers who have never sought recognition or superlatives for their charity and community efforts.

President Mike Ham has announced that nominations for the 2015 award are now being accepted and anybody may nominate someone (via your local Lions Club) who they think are deserving of the recognition. "Anyone with a country music connection who has given of their time and talent to assist charity through their music is eligible," Mr. Ham said.

"It may be someone who entertains members of their community, works on major country music fundraising events, and something as simple as giving their time for free to help out in caring and support programs."

Nominees don't have to be Lions Club members but nominations need to be made through your local Lions Club and must be made in writing to: The Secretary, Peel Valley Lions Club, PO Box 957, Tamworth, NSW, 2340 or via email to tamworth-peel-valley@lionsdistrict201n1.org.au and need to be in by December 18, 2014.

A panel will sift through the nominations and the 22nd Peel Valley Lions Club Australian Country Music Service Award will be presented during the 43rd Tamworth Country Music Festival in January 2015. The recipient will receive a one-off trophy crafted by respected artist Fred Hillier and will also be given the opportunity to nominate a charity to receive a \$500 donation on his/her behalf from Peel Valley Lions Club.

Enquiries should be directed to Terry Hill on (02) 6765 6042 or email terryanddihill@bigpond.com

DISTRICT STAMP COLLECTING

As you maybe aware Australia Post tells us there has been a drop off in letters posted.

As a result our numbers are down a little.

However, I am appealing to all LIONS to try and make an effort to collect stamps from "rellies" friends and businesses in their immediate area. I am sure with your efforts we can maintain our help to the cause of the Lions Mobility Foundation.

All stamps can be sent direct to me at my home address below.

PLEASE NOTE: Any supporter of the project can take their stamps to the convention as I will be there.

Looking forward to your continued support to some new supporters!

I may have missed acknowledging some and if that is you, I do apologize, but please be assured, we appreciate your efforts.

Stamps can be posted direct to me at:

**11 Camina Court,
Riverside, TAS 7250**
or given to a Cabinet Officer
and I will arrange to pick up.

Keep up the good work!
