## DG Vere's Thoughts - May 2019

Cheryl and I have recently returned from the Council of Governors meeting and the three day Geelong Multiple District Convention.

**The Child Safe policies** for all our Youth programs have been brought into line with those used for Youth Exchange, following Council accepting a submission on this matter from **Toby Crawford**, the new **MD Youth and Community Affairs Chair**. The ban on Youth aged 16 and 17 going overseas on Youth Exchange, has been lifted for several overseas destinations that have child safe policies equivalent to Australia's requirements.

Hannah Bowden from Western Australia is the MD Youth of the Year winner. **The District was represented by Kings Meadows Lions Club winner Ethan Hamilton, of Scotch Oakburn College**. Ethan is pictured to the right with DG Vere at the Blazer Presentation breakfast.

## LIONS LOGO

### Logo for Print and Electronic Communications

The three logos on the left (below) are the only official logos that clubs/districts/MDs should be using in print and in electronic format (anywhere online, such as websites and social media, as well as emails, presentations, etc.)

The full-colour emblem (right with the red tongue

and gray shadowing) should not be used electronically or for print. Per Section 2.6 of the Graphic Identity Manual in regard to the full-color emblem: "Usage should be limited to embroidered patches and other club supplies items. It should never be used in print or Web applications."

This has been in effect since 2008.

*Please take the time to update the logo on letterheads, newsletters etc and ensure this logo is used on orders of new clothing and signage.*

**District Governor (Elect) David Triffett** will be formally inducted as the 201T1 District Governor during the Milan Lions Clubs International Convention. David and Carolyn are shown (at right) at the MD Convention, in their Australian green and gold uniforms.

## Club Development Days

The Southern Club Development Day was held on Saturday 11th May using a one stream approach for new board members and also other interested members. An abbreviated coverage of the Cabinet positions was provided along with online references for more detailed information.

The **Northern Club Development Day** will be held on Saturday 1st June at the Kings Meadows Lions Clubrooms in Merino Street. The **Northwest** one will be on Sunday 2nd June at Penguin High School. The one stream approach will again be utilised.

## DG Vere's May Report continued

A key aspect will be ensuring that attendees can log onto the new Lion Account, which comprises the LCI Digital Ecosystem, of MyLCI, MyLion, the US Lions store and Insights. Only **leaders** will be able to access all of these databases. It may take **some** time for the system to respond to your logon request.

## Lions Clubs International - Submission of current constitutions by Tasmanian Lions Clubs

It has recently become apparent that some clubs have not been updating their club constitutions to take into account annual changes that have been approved at the international convention.

Clubs are asked to adopt the current standard form Lions Club International model club constitution, each year at their annual general meeting, and include the budgeted membership and joining fees for that Lions year. This revised constitution should then be forwarded by the Public Officer to the relevant government department.

Clubs are asked to resolve that the current Lions Clubs International **Standard Form Club Constitution and By-Laws** shall govern the club, unless otherwise amended, so as not to conflict with the district (single, sub- or multiple)

The current club constitution, as amended on 28th June 2018, may be found at:

<https://temp.lionsclubs.org/EN/pdfs/la2.pdf>

## Full Steam A(Circular)Head

The April edition of the N4 (Central NSW) newsletter features a large article and many photos covering the transport of hay from the **Smithton Circular Head Lions** to Eden and onto "Old Station" near Gollan, where the N4 Geurie Lions club distributed the hay. The N2 Pambula Merimbula Lions Club, near Eden, organised the unloading of the vessel and reloading of the hay onto a truck convoy. Tasmania's donation of hay to drought relief was greatly appreciated and Smithton-Circular Head Lions worked incredibly hard to achieve this.

LC Smithton-Circular Head raised \$1500 from their Leukaemia Shave For A Cure event. Pictured below are brave Lions Celia Thomas and President Sheryl Robson.

LC Smithton are pleased to welcome a new, younger family member, recently inducted by busy President Sheryl Robson. Pictured are new member Julia Gale and her mother, sponsor Carolyn Gale. Lions John and Eddy are also pictured.

### GREAT SALE –CENTENNARY GOLD TINS

This is a great opportunity for Clubs to purchase the Centennary Gold tins at a heavily reduced price and it is up to the Club what price they wish to sell these at. There will be no restriction to the number of cartons Clubs can order, although the minimum buy of 3 cartons still applies.

Purchase price for a carton of 6 Centennary Gold tins is now \$66.00 and orders must be sent prior to 30<sup>th</sup> June, 2019 and must be paid for when ordered.

As there is a limited number of cartons left, it is a first in first served arrangement. The current order form has been changed to represent the new costing for the carton.

Cakes have a Best Before Date of 20<sup>th</sup> December 2019.

## District Convention 2020 -21

### *Looking Forward with 20/20 Vision*

It is time to start planning our District's Convention for next year! As your potential District Governor for the Lions Year 2020 – 21, I will start the ball rolling – as it is in my court!

Some clubs may be aware of the current situation where no Club has nominated to Host the 2020 Convention, and that the FOLLOWING year (2021 -22) Convention will be hosted by the Riverside Lions Club, with a venue in the Riverside area.

*Ideally the 2020 Convention will be held in the rural area south of Launceston.*

I am NOT naming any club at this stage, but I welcome any positive offers of help from any club or clubs in the Launceston, Meander Valley or Northern Midlands municipal area to host the convention or assist the host club with any aspects of the Convention.

Potential venues may be Rutherglen (now marketed as Entally Lodge) or Josef Chromy Vineyard or similar venues. Other area ideas are most welcome.

The venue should be :-

- capable of holding 100 – 150 people with more at Saturday night Banquet Dinner
- adequate Car parking without costs or time limits
- in the central North area - Deloraine to Relbia or Southern Launceston
- Onsite or close by AFFORDABLE accommodation including RV / Caravan park
- Easy road access to allow for day only attendees.

*The above suggestions should NOT preclude any other submissions and I am open to ANY alternate suggestions from any District T1 Lions Club - especially from the Far North West where there has not been a Convention since the 31<sup>st</sup> in Burnie.*

**2VDG / 1VDG Elect**

## LCIF Progress Report

### DONATION TARGET

We are still slowly progressing towards our District target of US\$15,870 but a long way to go. As at 30 April the total raised

was **US\$6742 from 16 Clubs**, however an additional AU\$1200 has been donated but not credited to the donor Clubs.

As we progress to the end of the Lions year Clubs are again reminded that part of the Club Excellence Award requires a donation to LCIF. For donations to qualify for the award they need to be processed through the system by the end of May. Please ensure that donations are received in time.

### MELVIN JONES FELLOWSHIPS

At the time of writing 7 MJF /PMJFs have been sought by Clubs. Again as we come towards the end of the Lions Year it is appropriate to consider recognition or further recognition of outstanding Club Members or even members of the community. Many Clubs have considerable funds in credit for MJFs. If unsure of your Club's credit status please contact me [email - lcif@lionstasmania.org or vsbtas@bigpond.com.au]. Some Clubs may need a further donation to make up the US\$1,000 for an MJF.

### PERSONAL DONATIONS

Included in the donations recorded to date are 7 personal donations by Lions Club members. These donations have been in the range of \$100 - \$200 and the donors have been recognised by receiving a special 'Lions Share' pin.

## Faculty Development Institute: A Reflection

This year I was asked to apply for and was accepted into the **Faculty Development Institute (FDI) in Melbourne**. There were 20 participants from around Australia, New Zealand, Indonesia and New Caledonia and the course ran for three days.

The purpose of the FDI is to **become an accredited facilitator of training within Lions**; we received a certificate at the end of the course but will not be officially recognized as a training facilitator until we have been assessed 'on the job' within six months of the course.

*Looking around, I was feeling grateful to have been accepted, as I was in the company of DG's, past DG's, GAT members and other very experienced Lions. It became apparent, however, that we were all in the same boat as far as nerves went, and by the end of the Institute we had all formed new bonds and friendships. We were thrown right in, starting with a 3 minute one about ourselves on the first day, building up with a 7 minute presentation of half a module on Day 2 and finishing with a 25 minute presentation of the full module on Day 3.*

The course was well-scaffolded, providing us with training on all of the elements needed to give training and presentations to participants, including voice tone and pitch, eye contact, active listening and many strategies for engaging and managing an audience; the ice-breakers were by far the best fun!

On the first day we were broken into two equal presentation groups, which allowed each group to form strong support networks for each other. The mornings were taken up with our training modules as a whole and the afternoons saw us practicing our presentations in front of each other in our groups of ten. We were filmed on the first day and again on the last day so we could see our growth. By the last day we could all notice a huge improvement in not just our own performances but everyone else's as well.

*I didn't realise how much information Lions International has available for presenters and facilitators in terms of Powerpoint presentations, manuals and online resources. I learnt a great deal on the FDI weekend and I am looking forward to doing my first training facilitation for incoming officers on the NW Coast in June; one of many I hope. I highly recommend the FDI to anyone who wishes to become a training facilitator in their district or for people who lack confidence in speaking to an audience. You'll never look back.*

**Brave Young Men...** The young man (pictured standing below left) is a Penguin Leo who chose to spend his 18th birthday at the Geelong convention. Below Right and seated at extreme left, is AJ Wright representing Penguin & Tasmania in the Leo Final. AJ spoke about fear and we held our breath as he grappled with stage fright. AJ is a prime example of Courage, developed with the support of Lions. Despite his nerve-racking experience, AJ enjoyed Convention.

## Lionsonoz—Nundle Goes For Gold

When the call goes out for help in a Lions project Lionsonoz members are there to help.

The Nundle (NSW) Lions knew they were going to need assistance in catering for the hundreds of people expected to be at this year's "Go for Gold" festival so asked for help. Lionsonoz member PDG Peter Willis-Jones answered the call and together with another PDG Lion John Davis of Tamworth Lions Club soon found themselves in the kitchen section of the Nundle Lions catering caravan covered in sweat as they cooked hundreds of steak and sausage sandwiches for the hungry crowd of visitors.

*Pictured above: PDG Lion John Davis with Lionsonoz member PDG Peter Willis-Jones and the President of Nundle Lions club Lion Michael Chamberlain hard at work in Nundle Lions Club's catering van.*

**By PDG Warren White.**

Australian Lionsonoz does not conduct any service or fundraising projects but instead members are very willing to assist "main stream" Lions clubs in their projects when they are available.

The Nundle "Go for Gold" festival is a yearly event conducted on the Easter weekend and highlights the Chinese influence in Nundle's development with demonstrations of Chinese dancing, music and entertainment as well as gold panning demonstrations and participating in all sorts of gold mining experiences. There are many stalls and other amusements and lots of people put this event in their diaries as a "must see" each year.

### What happens at Convention DOESN'T stay at Convention....

These **Lions Vanners Club members** enjoyed catching up at the MD Convention. *Vanners* are full members of their respective Lions Club and hold their AGM immediately before or after the MD Convention.

Full credit to these young band members who have never played the **Icelandic National Anthem** before! Gudrun would be proud. Pictured in their maroon and yellow shirts are members of the Penguin Leo Club. They represent Tasmania so well.

## Save The Date 2020

### "Run the Beaches"

#### A Great Run for a Great Cause

Looking for a friendly Stroll or competitive Run along a Beach?

The Lions Club of Clarence has the event for you. Come and join us next year on the 1<sup>st</sup> of March 2020 to be part of Bendigo Bank "Run the Beaches".

The event includes a 5K, and a 2K Run/Walk along the picturesque shoreline of Bellerive and Howrah and a 50 metre dash for toddlers and children with a disability. A Community Health and Wellness Expo. Runs alongside. Something for everyone!!!

All this activity and excitement raises funds for the Australian Lions Children's Mobility Foundation. It has only been running for two years and already it has raised close to \$6000

Please support us to raise more funds "for such a great cause" by liking and sharing our Facebook page. Or better still !! Lock in the date!!!
