Vol 48 No 2 August 2022

FROM THE DISTRICT GOVERNOR'S

DESK

Welcome Lions and Leos to a new month...

Mary and I visited Club the Lions Clubs of Kings Meadows and Georgetown this month and thank you for making us so very welcome and the wealth of hospitality was very much appreciated. Both Clubs are doing well and the projects planned are well underway for their respective communities which are innovative and positive. Further visitations for this month are Bicheno, King Island, Glamorgan and Spring Bay.

As you are all aware this year is Lions 75th year of Service in Australia.

A number of official celebrations have been arranged by our Public Relations/Projects Chair person PCC Rod Wright and *I am pleased to announce that Her Excellency the Honourable Barbara Baker AC, and Professor Don Chalmers AO are requesting the pleasure of Lions company for morning tea to celebrate 75 years of Service by Lions in Australia and welcome the District Governor for District 201T1.* Invitation details have been emailed. Further details of other arrangements for civic receptions in other regions are now being finalised.

Further ideas have been submitted to me for your Club's participation in the 75th celebrations with consideration as follows...

- Develop a sensory garden in your local dementia/nursing home.
- Establishments so patients can see the beautiful blooms and colours.
- Approach the local council to be part of the garden planting scheme for 2022-23.
- Club members plant out their own gardens with roses and shrubs.
- Clubs work with school groups to plant a garden, flower/vegetable.

Regional and Zone Chair training was facilitated at the Kings Meadows Lions Club on the 30th July and was well attended and from the feedback I received the day was very successful. It is important that training is scheduled and made available to all Lions so that we can have a cohort of Lions who with training completed can move towards higher positions to maintain the Lions standards and succession, the District GLT Chairman PDG Robert Mantach is currently working on a training schedule for the District which will be available soon.

As you are also aware, the Global Membership Approach programme is about to commence as directed by LCI and all District Clubs

LEHP - Australia
Lions Eye Health Program
Empowering communities to save sight.

Hello Fellow Lions

The LEHP Children's Vision Screening Program is moving along very well with over 3000 children screened across the country, and 600 here in T1.

Vision Screening ticks all the boxes for a Club project:-

- Global cause – Vision;
- Low cost to Club;
- Supporting a Lions Category B program;
- **But most importantly, it helps children.**

Would your Club like to know more?

Would you like to become a vision screener?

Lion Rod Jackson, LEHP National Committee, trainer, retired optometrist, will be in Tasmania from August 22 to September 3.

Cont'd next page...

Cont'd from previous page...

He is coming to Northern Tasmania to visit family, but is prepared to conduct presentations and training at your Club, or more likely at the Lions Club of Kings Meadows rooms.

I am aiming at least, to have a training/presentation on Saturday 27 August at Kings Meadows. It is vital that you contact me asap if you and your Club are interested.

Rod could even come to your Club and demonstrate how it all works.

Please contact me asap.

Based on recent census data there could be as many as 6500 children across Tasmania with an undiagnosed problem with their vision.

(That's just 5-9 year old's!).

You can help them get to an optometrist!

Yours in Lionism

Stephen Smith

District T1 Chairperson

~Author Unknown

Cont'd from page 1...

will be involved.

Team Leader PCC David Triffett is currently developing a schedule of informative training modules and presentations and will be contacting all Clubs to arrange meetings with a member of his team so that you all will be well aware of your Club obligations and participation with the GMA programme.

The whole philosophy of the GMA is to enhance Clubs, grow membership, add more Clubs and celebrate success.

The 43rd Convention is scheduled for the 11th to 13th November at the Tramsheds Convention Centre, Inveresk, and Launceston. The Convention Committee has been working hard to arrange a Convention that will be different in format and entertaining with four excellent keynote speakers and an efficient business programme. **It is important that registration forms are submitted as soon as possible to make the registrar's task much easier to manage.** The registration form was published in the last District newsletter and I have requested that the Editor publish the registration form in each newsletter edition up to October. **I believe this Convention in our 75th year celebrations will be special and the expectation is to celebrate at the Convention dinner on Saturday evening with the Hawaiian theme, lots of fun has been planned with raffles, lucky door prizes and something else has been planned.**

It has been recognised that Lions Clubs in T1 are lacking publicity and social media exposure and a small team managed by VDG2 Victoria Cochrane in conjunction with PR/Projects Chair Rod Wright are planning to reinvigorate the District social media page and liaise with all Clubs. Lions Leonie Meyer from the Deloraine Lions Club has nominated for the coordinator for the District social media pages and I would hope that all District Clubs will communicate and participate with Leonie so that the project is a success.

Unfortunately the District Diabetes Chairperson Lion Christine Holden, has resigned due to personal health reasons. Christine we wish you a very speedy recovery and best wishes for the future. **We now have a vacancy for the Diabetes Chairperson on Cabinet so if you are interested please contact me to discuss the position and responsibilities.**

Commitment to service is reflected in our newly installed Lions International President Brian Sheehan adopting "Together We Can" as his theme for the year. The intention is to focus on four key priorities that are critical to our mission of service:

- *Sharing the joy of being a Lion.*
- *Supporting our global foundation LCIF.*
- *Thinking bigger when we serve.*
- *Advocating for local and global causes.*

I shudder to think what our communities would look like if our Clubs had never existed, and there had not been all the service Lions have provided over the years, especially during the pandemic. Thanks for making the difference and the service provided. But I have also heard some concerns expressed whether or not Lions have made any impact. We serve as Lions no matter what the challenges are; we find a way to serve and to make a difference.

'SEE THE NEED... TAKE THE LEAD'

Yours in Lionism

Paul Cairnduff

District Governor

201T1

75 years and counting

THE RETURN TO A DISTRICT GOVERNORSHIP

Many Lions in our district would know that one of our past District Governors has been elected as DG of another district.

After serving our district 201T1 in 2013-14 and filling in the following years as IPDG, **Lion Michael McLaren (pictured right)** moved to Townsville and the Castle Hill Lions club where he soon became President. He went on to serve as a Cabinet officer of 201Q2, finally, nominating as third VDG, reaching his induction as DG at the Montreal Lions International Convention this year 2022-23.

Quoted from 201Q2 FaceBook page...

" Welcome to District 201Q2 in North Queensland and Papua New Guinea. We currently have 64 Lions Clubs plus 5 branch clubs, and 6 Leo Clubs working with the community throughout our large District.

This beautiful area covers the sugar fields of the Mackay region in the south, up north to Cooktown and Weipa and stretching out west to the Gulf and Mount Isa. It includes the large industrial and administrative centre of Townsville and the major tourist centres of Cairns, the Atherton Tablelands, Airlie Beach, Whitsunday Islands and The Great Barrier Reef.

Our District also includes Papua New Guinea which boasts five Lions Clubs, in Tabubil, Port Moresby, Madang, and Lae, all making up this very large and diversified District.

This beautiful area covers the sugar fields of the Mackay region in the south, up north to Cooktown and Weipa and stretching out west to the Gulf and Mount Isa. It includes the large industrial and administrative centre of Townsville and the major tourist centres of Cairns, the Atherton Tablelands, Airlie Beach, Whitsunday Islands and The Great Barrier Reef."

Although not as big in area as 201W1 or 201C2 and 201C3 but has more lions clubs to service. It would be reasonable to assume that he and Max will cover many of them including PNG, and be away from home the greater part of his year apart from Cabinet meetings.

It is my belief that there is a rule change being put in place stating that any Lion can now only be a District Governor once.

On a personal note, I found Michael an extremely easy DG to work for, and he was always available if you needed advice. He was responsible for handing me the Lions Eye Health Program portfolio that had to be rejuvenated. Only now am I seeing the fruits of my work bearing fruit under Lions Stephen Smith and Anne Fagg OAM.

July 2022

To - The Lions Club President

ELECTION OF DIRECTORS FOR THE TASMANIAN LIONS' FOUNDATION INC

The Tasmanian Lions Foundation was set-up in the late 1970's as a result of the Hobart fires, where Tasmanian Lions wanted to help, but didn't have the necessary finances. It was from this scenario, that Clubs (and the newly formed District) banded together to donate to a disaster relief fund. To ensure continued funding, Tasmanian Lions Fellowships were able to be purchased (\$500) to ensure the fund continued to increase to a level where it could be of substantial assistance should it be needed.

The Foundation members are the District Governor or his nominee and the First Vice District Governor together with elected members, made up of 3 Lions from each area (62, 63 and 64 Area Codes), with each member serving for a 3-year term. One Lion from each of these areas is up for election each year, and to nominate, Lions must be in good standing of any Tasmanian Lions Club (within that area), and only one Director from each Club is allowed.

The current TLF members are: -

District Governor – Paul Cairnduff		
First District Governor – Robert Batchelor		
62 Area	63 Area	64 Area
Peter Goldstone-James	Phil Robinson	Phil Viney
Sue Johns	Derryl Hill	Dee Dawkins
Brian Forster	Stuart Ritchie	Robert Scott

The election process is about to commence (in line with the District Rules), such that the 3 members (shaded) are due to retire (but are eligible to re-nominate). **This note is to formally advise you that nominations are being sought to fill these positions.**

In compliance with the "Rules of the Tasmanian Lions Foundation Inc. "... **nominations shall be made in writing by a Tasmanian Lions Club in good standing in the Area concerned and shall be delivered to the Cabinet Secretary at least sixty (60) days prior to the date fixed for the opening of the District Convention together with the written consent of the member nominated**".

While there are other clauses concerning the election process, **the most important issue is that nominations should be made by the Club in compliance with the above.** If you have a member in your Club that is interested in nominating, please follow the above procedure **NOW**.

Sue Johns
Secretary - Tasmanian Lions Foundation Inc.

ELECTION

Proud Supporters of Crime Stoppers Tasmania

Lions Clubs fundraising...

The Lions Club of Glenorchy City is a proud supporter of Crime Stoppers Tasmania.

As a charitable organisation and service club their fundraising activities include operating barbecues at local Bunnings stores as part of the Bunnings Community Networking Program.

Proceeds from these barbecues have recently assisted charitable causes such as Crime Stoppers Tasmania, Lions Childhood Cancer Research, and Diabetes Tasmania.

Volunteers, such as those pictured (Lions Scott, Brian and John) give up their time to serve at these events.

A fine example of businesses with a community ethic, helping people, to help people. *A great link in the chain of service.*

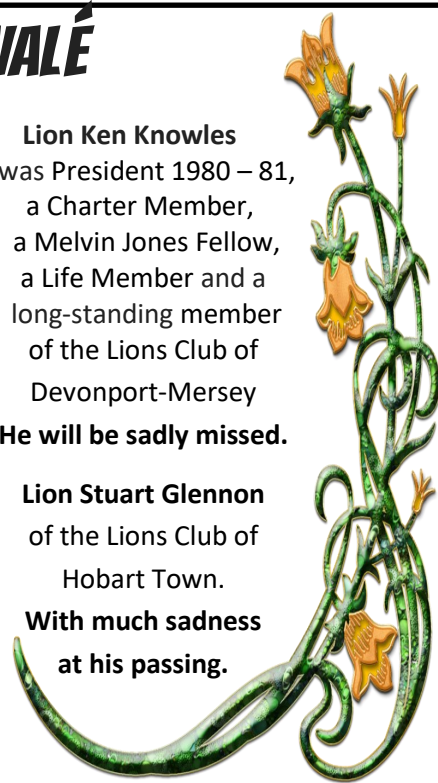

Thank you to Lions Clubs of Tasmania for your ongoing support!

Australian Lions Hearing Dogs Welcomes new Chairperson

We are thrilled to welcome PDG Norm Alcock as the new Chairperson of Australian Lions Hearing Dogs. Norm is no stranger to ALHD, being the previous National Coordinator for the Lions Fundraising & Partnerships Committee, Norm regularly participated in board meetings for the organisation and supported where able.

Norm brings with him a wealth of experience in Lions Australia, and has shown his commitment and passion for Australian Lions Hearing Dogs, our staff, Hearing Dog recipients, and our supporters including all Lions Clubs.

Please help us in welcoming Norm aboard to our team.

National Dog Day: 26th August 2022

It's safe to assume that most of us love dogs; but at Australian Lions Hearing Dogs, we *really* like dogs. This National Dog Day, we'll be celebrating all of our dogs – from our Hearing Dog Trainees with bright futures ahead of them, to the dogs nearing retirement or old age. The mums and the pups, our future Medical Alert Dogs, and the few who don't quite make it – we just adore each and every one of them for the joy they bring to our lives.

Here are a few of our Trainees in the program at the moment:

THE LIONS LEADER

A series of Lions Policy and Procedure instructions and reminders for all Lions leaders from GLT Coordinator PDG Rob Mantach will feature each month. This second article deals with...

Protocol for New Lions Members

The Lions motto is ***"We Serve"*** and we are able to serve our local, national and international community through our membership. **As time rolls on our membership changes - people move, get older, pass away or find other things to do with their time so it is up to all of us to be constantly on the lookout for quality members to be part of our clubs.**

Potential members may be introduced to your club when your fellow club members invite guests to your club events or through club organised membership drives for larger groups of potential members. **There are a number of publications such as "Just Ask" to advise on how to attract new members. You will need to make sure that the potential new member is the right 'fit' for your club and is able to commit to the Lions Code of Ethics.**

Having a potential member agreeing to join your club is a joyous occasion and it is worthwhile to make the occasion a special event. You may ask the District Governor, or another member of the Cabinet, to perform the induction of the new member during a club visit. Alternately the Club President, or other distinguished Lion within your club, can perform the induction ceremony.

There is a certain amount of preparation to be done before the induction of a new member. As the membership of a Lions Club is by

invitation, ensure that the person has been accepted by the board as a potential member. It could be devastating for a club to bring in a member that may cause conflict or disharmony within the club. **Also make sure that potential member is there for the right reason and not just out to further their own purposes.**

Before an induction obtain a New Member's Kit with all the correct documents and have the documents filled out with the correct names and signatures. Also, obtain the latest copy of the Lions Information Booklet, A Guide for New Members and include it in the New Member Kit. Your club will have its own uniform and have the right size available for the new member for presentation during the induction ceremony. The New Member Kit contains the Lions lapel badge to be fitted to the new members clothing by their sponsor, and also a Sponsors badge to be provided to the sponsor. During the induction ceremony the Lions Purposes and Code of Ethics are read by various Lions and the Induction Oath is read by the new member so you should have copies of those printed in large enough print to be easily read by the various people.

The Club President should allocate the new member to a sub-committee, preferably the same as the sponsor, so that the new member is eased into the workings of the club with a familiar face.

There are a couple of versions of the induction ceremony available on the Lions Clubs International website and I urge that anybody that is going to perform the induction ceremony become familiar with the version that they are comfortable with. The longer version goes through the history of the club and its major achievements over

the years including its service projects that has helped the community.

At the conclusion of the induction ceremony have the entire club membership welcome the new member either by acclamation or by each member shaking the new member's hand.

After the new member is inducted it is up to the sponsor to provide the new member details about Lions, the club, its projects and make sure that the new member is included in events and projects. **Sometimes new members are allocated a role such as Greeter to make sure that they get to meet every member of the club and know their name.**

Remember that every new member is a potential Club President and they are provided with all the information about the Club, District, Multiple District and Lions Clubs International.

Next month we will talk about member orientation.

Regards

PDG Rob Mantach

District GLT Co-ordinator

From the Cabinet Treasurer

Whilst I congratulate the twenty-six (26) Club Treasurers who paid their respective Club semi-annual dues promptly, there are still 21 outstanding cases where the Club Treasurer apparently considers the dead line for payment to be a target.

To those, I remind them that a substantial part or the first semi-annual dues are clearly identified on the invoice as insurance premiums, and as I have no intention of using District funds to pay for overdue Club dues, I strongly advise you to pay on time, as the alternative could be suspended insurance policies.

Kind regards

Erik Madsen

Appeal closing in on \$40k

The Lions Club of Launceston, Windmill Hill are the latest organisation to donate to The Examiner's Winter Relief Appeal.

Members of the Lions Club, Byron Dilworth and Linda Dilworth donated \$300 to the cause and said this was their fourth year that they have contributed.

"It will get to the areas that matter. It's something we have traditionally done and we know it's going to be spent locally, that's the whole idea, we're here for the community," Mr Dilworth said.

"You might think you're cold, but at least at the end of the day you can go home and have a nice warm cuppa and there are a lot of people who just can't do it, and a lot of the time it's not their fault either," he said.

Mr Dilworth said he had seen an increase in homelessness across the region and was starting to see more evidence of the issue in Launceston.

"All the members of the club wanted to do something for the Launceston district. You got try and do what you can do" Ms Dilworth said.

Mr Dilworth said the club were also looking for more members to be part of the Lions Club and said they wished they could have donated more, however, their organisation had been financially impacted by COVID.

"It's pretty tough at the moment with prices of living going up and everything. There's a lot of people that need help."

The current tally for the appeals sits at \$39,437. There is still plenty of time to help us reach at Target of \$75,000 by the end of August.

To donate to the Examiners Winter Relief Appeal, come and visit us in our office at 113 Cimitiere St Launceston, or give us a call on 6336 7111.

From the Launceston Examiner – July 21, 2020

PRESIDENT'S MESSAGE

Together we can with
International President,
Brian Sheehan

Dear Lion,

Growing up in small-town Bird Island, Minnesota, working together is something you learned early. Any time anyone needed help, everybody rolled up their sleeves and got to work. That's why I love being a Lion. Because our home is wherever we serve. And we know that "Together We Can" make our homes, our communities and our world a better place for everyone. And best of all? We get to do it every day.

All over the world, in big cities and small towns everywhere, Lions are doing great things, just like we've done for more than a hundred years. We've helped millions of people, and we're going to help millions more this year by working as a team, thinking outside the box and serving like never before. And we're going to have a lot of fun doing it.

It is an incredible honor to serve as your international president. Let's show the world how together we can accomplish big things.

Make a great day,
Brian Sheehan
International President

"TOGETHER WE CAN"

Winter Relief Appeal: Byron and Linda Dilworth, of the
Lions Club of Launceston Windmill Hill.

Australian Lions Wellbeing Foundation (formerly Australian Lions Drug Awareness Foundation)

Fellow Lions, Leos and friends. Some of you would have heard that the ALWF have had a change in name as well as a slight change in direction.

For over 30 years we had been known as the Australian Lions Drug Awareness Foundation, but in 2021, in order to reflect the diverse topic areas, we now covered to help build happy, healthy resilient communities, our name was changed to Australian Lions Wellbeing Foundation.

Whilst our core values are still centered on drug education, we are also now focusing on wellbeing and ensuring that our communities are healthy and looking after each other.

The Foundation's mission is to; develop, promote and educate the community through health and wellbeing initiatives and to encourage clubs and individual Lions to promote these initiatives within the community.

Some of our more successful programs are:

TINO (Tune In Not Out).

Tune In Not Out (TINO) is an award-winning portal style health and wellbeing website full of information to help young people navigate life's challenges.

FFF (Freedom to Feel Fantastic).

Formerly known as Fresh Faced Friday, Freedom to Feel Fantastic is a positive body image and self-esteem campaign, inviting schools and community groups to help promote the message 'we all have the right to be who we want to be judgement free'

Lions Quest.

Lions Quest is a social and emotional learning program for Foundation to Year 8.

Lions Quest offers a comprehensive Social and Emotional Learning (SEL) program that supports the development of happy, healthy and resilient young people who are caring and engaged members of their families, schools, and communities.

Community Grants.

ALWF proudly makes small grants available to help enable the community to take positive action.

Project Future

We believe in the power of cross-generational sharing of information and understandings. Project Future invites Lions from across the country as the wider community to send a letter to the future. We hope you will get involved.

Please open the following address in your web browser and take part in our short, two-minute survey, to assist us in making a difference in the future. <https://alwf.org.au/future/>

For more information on ALWF or any of the above programs, please contact Toby Crawford,

mobile 0418141236 or email djcrawford2001@yahoo.com.au

Whealers Hill Lions Club's Novel Idea

With the exception of 2020, Wheelers Hill Lions Club in Victoria have been holding second-hand book sale fundraisers for the past fourteen (14) years.

Since 2008, the Club has raised over \$100,000 to support Lions projects in the local area by selling used books once or twice a year.

Money raised from the book sales has been a major contributor to many Lions projects in Monash over the years, including enabling over 50 children to attend camps.

In 2019, Wheelers Hill Lions Club put funds raised from the book sale towards purchasing a 12 seater bus for Wavecare, a counselling and community support service based in Monash. The bus collects elderly residents from their homes and takes them to the local community centre for a day of planned activities, before returning the residents home.

Books at the sale are donated to the Club and sold for between 50¢ and \$3.50. With between 9,000 and 11,000 second-hand fiction and non-fiction books on sale at each event, there is something for everyone.

Lions work together to alphabetise and sort the thousands of books into 25 categories, making it easier for bargain hunters to find what they're looking for.

The next book sale will be taking place at Caribbean Park in Scoresby on the 20th and 21st of August.

The Last Word...

"Of course, I talk to myself – sometimes I need expert advice!"
