Reflecting on IP Dr Naresh's

Message:

I have been thinking about the 'Power of We' and believe at Club level this is what we have. When all members give what they can of their time to assist others in their Club to serve our communities.....we have and use the Power of We. Let us use it.

'The Power of Service' Let us reflect on what our community needs, and how we can work together to meet that need, every Club in Tasmania will undertake different projects and ways to serve their community. Of course there will be many requests for support and LCIF added the new platforms of Diabetes and Paediatric Cancer. Your Club was chartered to serve your community and further afield where the need might be, it is your Club's right to decide where and how you will serve. Let us take time to think how we might add a bit to our Clubs – change things gently, if necessary revitalize some of our long time projects, take on new roles in our Club or mentor and encourage other members to take on new roles.

'The Power of Action' If everyone does his or her part, the Club as a whole serves their community and makes a difference, the load is also made lighter for all in the Club. At the 2017 Ballarat ANZI Forum the following statement was made and it made a lot of sense. *"If the Club culture isn't right, then the best plans and strategies will not work. Culture eats strategy for breakfast".*

At the ANZI Pacific Forum attended by International President Dr. Naresh and International First Vice President Gudrun Yngvadottir from Iceland it was great to meet with other Lions and much discussion took place regarding GAT (Global Action Team), GMT (Global Membership Team) and GLT (Global Leadership Team) and LCIF.....all at Club level??? Many clubs are having difficulty filling Board roles, never mind these new roles. I know that there is a request from LCI that these be 'filled' but we need to be realistic because the roles of GAT, GST, GMT etc are already 'covered' by VP's and Directors within our clubs.....maybe just under a different title!

Snippets from Council of Governors Meeting (August 2017)

Membership

Respect first the members we already have. Lets add fun and then we look at how this will draw new members.

Youth

Working with Vulnerable People – Legal Officer PCC David Skinner OAM gave some advice that we all can benefit from.....'follow what is required by State Legislation but do not place yourself or your club in a compromising situation'.

Emu Bay Lions

Book Fair

Tasmania's Biggest Book Fair !

Saturday October 14th and

Saturday October 28th

Venue : Old Catholic School

Fleming Court, Burnie
8.30am to 4.30pm

Donations of books welcome!
Books can be left at Wyllie Tiles, Cooe, Burnie Newsagency
or Burnie Ocean View Caravan Park, Ocean Vista

This book fair is the major fundraiser for the Burnie Emu Bay Lions Club each year and we claim it as Tasmania's Biggest Book Fair. It's held over two Saturdays in October and books are sold by measure at bargain prices. We have thousands of items for sale including books, magazines, games and jigsaw puzzles, CD's & DVD's, vinyl and sheet music and much more.....All items are sorted into categories so things are easy to find and customers can head straight for their area of interest.

We are still collecting items so if people have anything to donate please contact the club – burnieemubay@lionstasmania.org or they can phone Carmel on 0437 731618.

CHRISTMAS CAKES AND PUDDINGS

- ◆ Price this year for the 1.5kg Christmas cake is \$17.00
- ◆ the 1.0kg cake and Puddings sell for \$13.00 each
- ◆ The Traditional Mini cake remains at \$2.00 per slice
- ◆ The Limited Edition Gold Tin (including 1.5kg Christmas cake) sells for \$22.00.

Lions Membership in a digital world

Sunday 24th of September

Newstead College Launceston 10:00am – 3:00pm

An open forum to discuss the impact of the digital age on Lions

Lions e-Clubhouse, Facebook, Youtube, Instagram

Why do we need them, why does it matter to membership and what would you like to achieve with members once you attract them?

It doesn't matter if your club has all of these, some, none or even something different we want to share in your experiences as well as canvassing why digital media is here to stay and how to cope with it

Make the most of the digital age to attract new members and assist the existing ones

More details will be emailed out to each club next month

Enquiries to Leigh Johnstone on **0418 138 035** or **glt@lionstasmania.org**

Regional Chairman Northern Tasmania

With only a few months until Christmas **NOW** is the time to place your Club order. Remember to allow time to get your cake order delivered ready for sales. Make contact with your previous outlets before you order to gauge interest for sales.

The new packaging has been released and some of the stock you may receive could have the new packaging whilst the stock may still be in the original packaging.. **Should this occur it would be desirable to sell the original packaging first.** Remembering all stock has a best before date, however, nothing has changed and we will be selling both the older style packaging along with the new packaging until the older style stock has been exhausted. **New Header Boards will be available shortly and I will advise Club's when they will be able to purchase these.** The Header Boards will be available from the MD Club Supplies Shop. You will be able to access and order these from the Lions Club Australia website www.lionsclubshop.com.au – then go to Fundraising Merchandise – Cakes and Puddings section.

Happy ordering

Sue Johns
District Chairman – Merchandising (Christmas Cakes, Puddings and Mints)

From Your Club Newsletters

Penguin Line on Lions –

- ◆ Parks and Wildlife gave dead trees to the Lions who collected, split, stacked and donated the wood.
- ◆ Still running a successful Opshop.

City of Devonport Devon Lion –

- ◆ SOSE Devonport Campus bus Project is almost complete. **Your help is needed—see back page of this newsletter**
- ◆ Reminding members re food licences and Working with Vulnerable people cards.

Memories of a Decade Ago

'Challenge to Change'

- ◆ June 28th – 6th July, Chicago.
- ◆ 4th July, American Independence Day, watched Chicago White Sox v Baltimore Orioles play (what a game) then fireworks till midnight.
- ◆ Meeting ex President of USA, PDG Lion Jimmy Carter.
- ◆ The food was good, everything was large bread was one inch thick, fillings of massive portions, coffee was like bitumen, so strong the spoon would stand up in it.
- ◆ Home to start a wonderful experience and a very educational year.
- ◆ Visit 50 Clubs.
- ◆ District formed two new Leo Clubs, Glenorchy and New Norfolk.
- ◆ Visit King Island, 38th Charter Anniversary and Installation of the President, 'Lion Linda Payne', now the Editor of the State news.
- ◆ Launceston Riverside hosted the 2007 Convention, we have much to remember our guests were International First Vice President Al Brandel and his wife Dr. Maureen Murphy, both were just a delight to meet.
- ◆ Guest Speaker was Father Chris Riley – 'Youth of the Streets' what a speaker, with passion, enthusiasm for the future of kids.
- ◆ 30th November, City of Launceston Celebrated 50 years, a Civic Reception was held by the Mayor of Launceston.
- ◆ Presented, Father Chris Riley a Melvin Jones Fellowship Award from Tasmania in Melbourne.
- ◆ Launched Campaign '50' + 1, 50 years in Lions, '50' Lions Club in State, '50' Days to do it. '50' NEW Members. (We did it).
- ◆ Awarded a Melvin Jones Fellowship to Lion Alison Johnson, Flinders Island for tireless work for Lions, it was also her 70th Birthday.
- ◆ Thanks must also go to the Wheatleys on Flinders for those wonderful crayfish.
- ◆ Thinking of Awards I was honoured to nominate and put forward, two names that year for consideration and induction to 'The Lions Hall of Fame', The late Lion Richard (Dick) Strickland, King Island Lions Club and Lion Noel Viney, OAM, Ulverstone Lions Club. (Both were accepted)
- ◆ Governor of Tasmania William Cox held a function at Government House to recognise 50 years of Lions in Tasmania

Leigh G. Jones PDG, MJF.

International Centennial Lions Club.

Legana District Lions Club.

ROXY'S STORY

I received an email from St.Giles in Hobart requesting assistance for Roxy, a 2 year old who was in need of a Second Skin Body suit to assist her in developing to walk. A few days later while at our District Cabinet meeting I was speaking with DG Hester on Roxy's situation when the person sitting next to me asked where did Roxy come from. When I mentioned her address he piped up..." she is a local for our club and I believe the board will approve full support for her, leave it with me". Two weeks later I received a call to let me know that the board fully supported the Grant Application amount of \$2,155.

I sent an email to St.Giles to proceed with the purchase of the suit and a reply was received within 5 minutes from a very excited therapist. Within 2 hours the mother of Roxy came back to me with this email ...

"Hi George,

I hope you don't mind me emailing you directly.

*This is a very sincere thank you to **Australian Lions Children's Mobility Foundation** from Roxy and her family.*

Without your support we would not have been able to get her the equipment that she desperately needs.

This funding will go towards a 'second skin', due to Roxy's low muscle tone she needs this suit to help her with strength and posture to help her towards her goals of mobility. While she isn't yet mobile, equipment like this gives us hope that this goal will soon be reached.

From the bottom of our hearts, thank you again.

Roxy and family X

*A very big thank you goes to the **KINGBOROUGH LIONS** again and President Paul..... your support is very much appreciated by Roxy and family.*

George Bugeja PDG Trustee

Greetings members of the Lions Family,

Since last month a few things have happened within the structure of the Lions Eye Health Programs and perhaps *the two major things are the development of an Action plan by each District chairman, and in turn by the State Representatives at the National level.*

We were all asked to develop a plan prior to the last National Committee meeting 24th and 25th of August just past. I have to say that a few plans presented would have been difficult to achieve, while others were certainly more realistic. Bearing in mind that we all have to walk, before gaining the ability to run.

It is my belief and that of DG Hester's view that what was presented for 2017-2018 is achievable, but only if supported by our current group of Ambassadors working as a team. **To achieve that, the key is communication. It is not a one way street.** The Ambassadors need to know what's happening, Our District Governor and I, also need to know what is happening in the various regions where they are located and hopefully operating.

A word to the Lions clubs of this District, please give serious consideration to inviting any one of the Ambassadors to speak even if for only a few minutes to your club members. Having a community festival? Invite an Ambassador or maybe two to be present with brochures and get them to speak to those who attend. Let us get the word out that Lions care about sight related issues, and preventable blindness.

It is my hope that in the New Year that all Ambassadors can meet in Launceston to formally meet each other, to discuss issues that have surfaced and resolve them, lastly team build there by having the ability to operate independently, or as a team.

Having done that a regular reporting form is being developed for each Ambassador to fill in and return to me, so that I can correlate it into one report that will then become a part of his/her report to the MD201 Council of Governors.

Kind regards

John C Medwin. District Chairman.

Pictured above: Australian Lionsonoz member Lion John Matheson handing over 130 pairs of used spectacles to Lion Pauline Weatheby, President of the Lions Club of Ormeau, Queensland.

The Lions Club of King Island Can Crushing

Lions have been sending containers of batteries and cans off island for at least 25 years. From the Archives, King Island News, Feb 1992: 'The aluminium can crushing machine was the brainchild of Bob and Brian Crockett of Adams Road, and manufactured by R.J. Williams Motor Agency. The machine consists of two tyres that rotate against each other, with the cans fed between the tyres, and delivered into the base of the unit crushed. The machine turns four cans into the size that would normally be taken up by one.' At some stage the Council took over the task of crushing and wrapping, which has certainly been much appreciated over the years. Currently, with the wrapping machine at the Waste Management Station no longer in operation, Lions had to come up with another idea to crush and wrap the cans ready for shipping off island.

So, with enough batteries and certain other kindly donated recyclable aluminium/copper products to almost fill a container, Lion Rod McGarvie came to the rescue. Tractor!! What a great idea!!

As we emptied bags of uncrushed cans onto the floor, Rod drove back and forth over them. When crushed, 6 large cement bags full of cans were reduced to about 2. Profits from the recycling of these materials have been a major source of income to the Club and are always reinvested into local community projects.

If Lions from other Clubs have any ideas on ways to crush cans, please contact us on King Island.

Lion Jeanette Dennison

National Chairman YOTY Brian Williams received this letter from the Friends School in relation to Tasmanian State winner Sam Watson.

Jenny Tripptree
YOTY Chairman

Wynyard Lions are supporting a local boy, Rylee Kemp, to go to New Zealand to compete in the Anchor AIMS games. These games run between the 10th and 15th September for Intermediate Schools across New Zealand, Australia, Cook Islands, Indonesia and Tonga.

Pictured are Lions Neville Woolley and Derek Putt presenting Rylee with a cheque at the Wynyard BMX track.

15 August 2017

Dear Brian Williams

I am writing to thank Lions Youth of the Year for the very generous donation of \$1,000.00 to The Friends School as a result of Friends' Year 11 student Sam Watson winning the Tasmanian State title this year. We are very proud of Sam's achievement in winning such a prestigious title and know he really enjoyed participating. We are very grateful to Lions Australia for offering these opportunities for senior secondary students.

I have consulted with Sam and the head of English Sarah Walker who supported Sam through the competitions leading up to the national competition in Hobart. We have decided to use the money to support students from Friends' applying to take part in the *Refugee mentoring program associated with the Windeward Bound sailing ship*. Sam has identified this program as having a transformative impact on his decision to become involved in student leadership. We hope it will have a similar impact on others.

Sincerely

Signed...Tony Barrett

Head of Clemes

Friends' School North Hobart

LIONS GLOBAL ACTION TEAM (GAT)

Vere Cooper 1st Vice District Governor

For some years now Lions Clubs International (LCI) has had the concept of a global focus on both membership with the Global Membership Team (GMT) and leadership with the Global Leadership Team (GLT). There has been a focus on overcoming the issues of aging clubs, membership losses and the ongoing need to identify and train leaders. This focus has now been extended to also include the basic need for Lions to service the varying needs of the community.

A third global activity has now been added to membership and leadership, and that is service, and provision has been made to unify the three arms by having them report both up the line and also to the organisational leader (club presidents, district governors etc) of the organisation at its various levels. This achieved by having these persons take on the title of Global Action Team leader in addition to the primary title. Previously GLT and GMT only had nominated officers down to District level. The District GMT Coordinator for your District 201 T1 (Tasmania) is PDG Dale (Toby) Crawford, and the District GLT Coordinator is Leigh Johnson.

Board members of clubs will also have supplementary titles under the Global Action team concept so that they will be the club 'go to' person for that aspect of the structure at club level. This was announced in mid 2017, well after the club board nominations had been finalised in early April. It is intended that this new concept will be rolled out progressively during this Lions year. Possibly when your 2017-18 board was inducted, the President was also inducted as the *GAT Club Chairperson*, and the 1st Vice President was inducted as the *GLT Club Leadership Development Club Chairperson*.

Here is an excerpt from the LCI resources website

www.lionsclubs.org/resources/EN/pdfs/GAT-Pocket-Guide.pdf

Empowering Clubs through the Power of Action

The Global Action Team was built with a vision that one day every need in the world will be served by a Lion or Leo. It brings together the three key areas of Lions:

- Leadership development
- Membership
- Service

You'll see the Global Action Team Difference

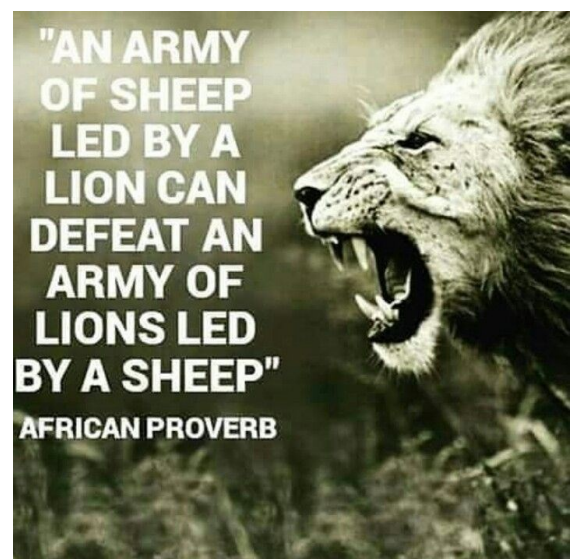

By unifying the Global Leadership Team (GLT), Global Membership Team (GMT) and Global Service Team (GST) as the Global Action Team, we will create synergy and new opportunities for clubs to grow and serve.

Our Mission – The Global Action Team will champion the vision of LCI & LCIF and build on the passion of our Lions and Leos through service.

Our Goal – To impact over 200 million lives through service, increase our membership to 1.7 million Lions and Leos, and provide learning opportunities to over 500,000 members by the year 2020

City of Devonport Fundraiser

School of Special Education (SOSE) Devonport Campus Bus Project

City of Devonport Lions are fundraising for a bus to donate to the Special School in their area—a tremendously worthy project. They have been given some fantastic paintings to sell. **Tasmanian born artist, Bill Flowers**, (aka the Snake Artist) paints these pictures as he crosses back and forth on the Spirit of Tasmania. The paintings on offer form a series of 7 relating to **the story of the Sydney Cove**—a vessel laden with supplies on its way to Port Jackson in 1797, which began leaking and was deliberately run aground on Preservation Island (Furneaux Group) in order to give the crew a chance of survival.

All seven paintings can be viewed at
<http://www.snakeartist.com/public%20shows.html>

If you, your club or an organisation you know could consider purchasing a painting or paintings from this wonderful collection, please contact John Hughes

Secretary, City of Devonport
