## Lions Club of Kings Meadows present a vehicle to An-al

It is with great pleasure that we were able to see this car finally made available to the Acharya family, especially to allow An-al the opportunity to travel with his family on any occasion and we saw this vehicle as being appropriate for An-al to use into adulthood and beyond.

ABOVE: 1st VP Judi Gorham, President Darrell Atkinson & An-al Acharya (wheel chair) in front of new car.

An-al is a delightful 11 year old who suffers from spastic diplegic Cerebral Palsy that confines him to a wheel chair, and the need for suitable transport was brought to the attention of the Kings Meadows Lions as a request to fund the vehicle.

Providing the family with a suitable car has been one of the longest projects we have been involved with for quite a while. First we looked for a vehicle already modified, which in the finish would have been an expensive

disaster best left alone. With a change in ideas we ended up with a beautiful modern vehicle that will suit the Acharyas for years to come.

Lions Club of Kings Meadows members wish to acknowledge everyone for donations and support to make this vehicle available and in particular the grants we received from the **Australian Lions Foundation, the Tasmanian Lions Foundation, and other Lions Clubs**. Most of our own club fundraising was through our involvement with the Launceston presentation of "Brixhibition" (Lego) and several monster garage sales

Lions Club of Kings Meadows members wish to acknowledge everyone for donations and support to make this vehicle available and in particular the grants we received from the **Australian Lions Foundation, the Tasmanian Lions Foundation, and other Lions Clubs**. Most of our own club fundraising was through our involvement with the Launceston presentation of "Brixhibition" (Lego) and several monster garage sales.

ABOVE: The Acharya family with lion members and guests at Lions Club of Kings Meadows clubrooms to celebrate the official presentation of this special vehicle.

On behalf of everyone involved we wish An-al all the happiness this vehicle can provide for now and in the future.

**Darrell Atkinson**  
Club President  
Lions Club of Kings Meadows

*Apologies from the Editor to LC Kings Meadows for omitting this wonderful story sent in October. All articles are acknowledged upon receipt— if your contribution isn't published, please let me know. Ed.*

## DG Vere's February Report

Congratulations to GMT **Toby Crawford** on being elected as the **MD Youth Projects Coordinator** (until 2020). The position covers Leos, Youth Exchange and Youth of the Year.

Saturday 2nd March (and Sunday 3rd March)- Lions Awareness Day

National Publicity for this day is being co-ordinated by **District N2 GST Co-Coordinator PDG Elvio Munzone**, who is compiling a register of what is happening. **All clubs participating in this awareness activity are asked to forward activity details and the date of same, by email to PDG Elvio Munzone – [gst@lionsclubssydney.org.au](mailto:gst@lionsclubssydney.org.au).** PDG Elvio will be calling Ray Hadley of 2GB to advertise the day and events of the clubs that have registered their project with him. Also please inform our state public relations officer -PDG Dickie Daniels ([pr@lionstasmania.org](mailto:pr@lionstasmania.org)). A flyer and draft publicity releases have been forwarded to your club secretary.

*The Council of Governors meeting was held at Sydney, in mid January. Training was also provided for District Governor (elect) David Triffett and partner Carolyn, plus Cabinet Secretary Amanda Olson.*

Club Visits are continuing. We visited the Penguin Lions on Australia Day. Since then we have visited Bridport, Port Cygnet, Zeehan (and Queenstown) and Rosebery. I inducted the new Launceston Leo Club Board and members at their dinner on 2nd February. The Leo club (pictured below) was formed utilising the combined efforts of members from the three Launceston clubs - City of Launceston, Launceston Windmill Hill and Kings Meadows.

Establishing your identity on MyLCI

The amount of information that needs to be provided by users of **MyLCI**, when they **first register** their user name and password has been extended from just quoting one's membership number, to also including the **first line of your address (in MyLCI) and the full name of your club**, including whether it is a Lions, Leo or Lioness club. It is important that you ask your club secretary to update contact details whenever they change.

Membership

Cabinet has approved the formation of **three small membership teams, one for each of the three regions**, to help clubs achieve plus one membership for this year. They can also assist those clubs who may wish to form a club branch/speciality club (10 members or more). These groups will be headed up by Membership Coordinator Toby Crawford in the North West, Region Chair Rob Mantach in the north and VDG David Triffett in the south. If your club would like some assistance please contact your local membership team leader.

A national fund raiser for Childrens Cancer Research has been adopted by the Council of Governors, involving Australian schools participating in a combined longest coin line during February. The money will go to a NSW club who will lay out a line of 5 cent pieces to try and achieve a world record. Another fund raising project that IPDG Hester has some Tasmanian schools are involved in, is collecting 5 cent pieces. This project has raised \$20,000.

Lions Training

**Guiding Lion** training is being provided at **Pontville on Saturday 23rd February**. There will be no training day at Kings Meadows this year.

**Training for Zone Chairs** will be held at **Kings Meadows on Sunday 24rd March** (note date change from 23rd March).

Geelong MD Convention - Saturday 4th to Monday 6th May - Have you lodged your registration form?

**DG Vere Cooper  
ADVANCE CHANGE**

## Christening the New Marquee

In January, **LC Queenstown** had our first outing with our New Marquee at the Monthly Community Market. The Marquee was purchased just before Christmas. We attend the market monthly.

We will also have this Marquee plus our Old one at the upcoming Australia Day Picnic at Strahan which we also attend each year. This is one of our major fundraisers. We normally go through around 60 to 80 Kg of Burger mince, 30 to 40 Kgs of Sausages and about 60 to 70 loaves of bread, topped off with around 30Kg of onion.

**Greg Whittington,**  
Secretary

### Clarence Lions Club Car Show

10am—2pm on Mon 11th March, 2019

North Lindisfarne Primary School

East Derwent Hwy, Geilston Bay

## Sun, Sand and Sausages

**West Tamar Lions Club** held a fun family Australia Day at Greens Beach with FREE sausages & cold water for all. Lots of fun activities for the kids AND adults, which included a Treasure Hunt for the kids of 50 treasures (worth \$5 each) and a Sand Modelling competition with the 1st prize being \$100.

*ABOVE & BELOW: Second prize, with a very current connection to Lions, was won by TEAM ONIONS ON TOP for their sausage on bread complete with tomato sauce.*

For all the fantastic sand sculpture photos and pictures of the day, go to either the LC West Tamar or Lions Tasmania Facebook pages.

### Sorry to see you go.....

National Australia Bank (NAB) has concluded its national sponsorship of the Youth of The Year (YOTY) Project after many years of loyal support. Lions are thankful for the substantial financial support provided which exceeded what might normally be expected. YOTY is now fully funded by Lions Clubs. Multiple District will continue to seek new sponsorship.

**Rob Oerlemans**  
Executive Officer Lions Australia

## National Recognition for Two Tasmanian Lions

At the Clarence Council's Australia Day ceremony, **PDG Robin Pulford** was presented the **Senior Citizen of the Year** award by Alderman Doug Chipman, Mayor of Clarence. He won the award jointly with Shirley Morrisby.

Robin has been nominated for his involvement with many community organisations in Clarence, in particular the *Lions Club of Clarence*. Robin has given 20 years to the club and held the positions of President, Treasurer and District

Governor. Among the awards he has received is the *International President's Award for Outstanding Service to Lions Club International*.

Robin was the former General Manager of the *Clarence Football Club* and has also assisted the club in a fundraising capacity. He is currently the co-chair of the *Clarence Plains One Community Together steering committee* and provides leadership in projects associated with the *Clarence Plains Clean-Up*.

**Stephen Smith LC Clarence Inc**

**LC Rocky Cape's Anne Fagg has been awarded an OAM in the Australia Day Awards.**

Meg Powell from **THE ADVOCATE** reports "Fifty-five years ago, Anne and Chris Fagg lost everything. It was Christmas 1974 when Cyclone Tracy tore through Darwin, destroying much of the city in less than a day.

The events inspired Mrs Fagg to a lifetime of volunteer work, through the State Emergency Service, Lions Tasmania, State Leadership Training, Driver Reviver and St Vincent de Paul."

"After we went through the cyclone we were very conscious of the help we were given," she (Anne) said. "The SES was the beginning of it. "

Photo credit Simon Sturzaker

**"You get a lot more than you give when you volunteer." Anne Fagg OAM**

*Congratulations Robin and Anne from the wider Lions community.*

### Lions the Great Achievers

In front of 400 guests **Lions Clubs Australia** were awarded the **Betty McGrath Award** in recognition of their tireless efforts in supporting *Mater Foundation* over the past 40 years.

The Mater Foundation introduced the Betty McGrath Award to honour Mrs Betty McGrath AM a founding member of the Board of Directors of Mater Foundation. The Award recognises significant philanthropic support to Mater Foundation by an individual, group or organisation.

**Lions Clubs Australia have supported many aspects of Mater including the Queensland Cord Blood Bank at Mater and in recent times' Prostate Cancer Research via the Lions Prostate Cancer Research and Treatment Project.**

Nigel Harris CEO of Mater Foundation said when awarding Lions Australia the Betty McGrath Award, "We are deeply indebted to Lions

for many reasons and have enjoyed friendship with Lions members for many years".

*Thank you Tasmanian Lions and Clubs who have given so much to Prostate Cancer over many years.*

**Lion John Grimstone  
Coordinator for Lions Australia  
Prostate Cancer research project.**

## Is Now the Right Time?

*"The answer my friend, is blowin' in the wind...."*

Well, according to Bob Dylan, the answers are all around us, but it is up to us to see them and respond.

**"Don't wait until everything is just right. It will never be the perfect time. There will always be challenges and obstacles to overcome. So why not get started now? With each step you take, you will grow stronger, more skilled, more self-confident and more and more successful".** Credit for this quote goes to author Mark Hansen.

Please adopt this attitude to your **Clubs Membership Plan** for the coming year. Find a few hints below.

- Does your club set a membership goal for the year?
- Do you have a recruitment plan in place?
- Are members encouraged to recruit new members?
- Are new members encouraged to attend meetings?
- Do you have a Club Mentor?
- Do you encourage a new member to become involved?
- Are your club's Community Services still relevant?
- Do you have a monthly Club Newsletter?
- Do you publicise your club's accomplishments?
- Does your club understand the concept of forming a "Club Branch?"

Contact your Districts GMT Chairperson for assistance with any of the above.

Yes, I know, the 10 points above are all really very simple and obvious, but at times, we forget to look after our own club members, and therefore we forget to maintain the strength of our own club.

So **now is the time** to focus on membership, and if you are "doing ok", have a look around at your neighbouring clubs, and make sure they are "doing ok" as well. Maintaining strong membership numbers will always be an issue. Please contact your Zone Chair or your T1 Membership Team if you have any queries.

Toby Crawford

Membership Guy

### TLF meetings scheduled for 2019 are..

3rd February  
5th May  
4th August  
District Convention, Glenorchy, TLF - AGM

A Donation from your Club to the Foundation, will help to ensure that it can support your fellow Lions in bringing larger community projects to a successful conclusion.

Your continued support for the Foundation both shaping its future roles and directions, maintaining and strengthening its finances and helps to ensure that the Foundation can continue to provide a high level of support to projects within District 201 T1.

*Clubs seeking financial assistance should not assume that funds will be provided until formal approval has been received in writing from the Foundation. Any request for assistance should be made at the time of Planning the project and not after its completion and need to...*

Outline full details including all specifics of the proposal, and declaring the full extent of the submitting Club's contribution both financial and non financial to the project under consideration.

*All requests should be made in writing to the Secretary of the Tasmanian Lions Foundation Inc. on the Grant Application Form. Along with copies of the Club's minutes approving the project, project financial estimates and the Club's Presidential endorsement.*

A proposal will only be considered if the submitting Club is prepared to commit itself financially to the project.

**At the conclusion of a project when a Foundation Grant has been made, a detailed report of funds expended, publicity material, and photographs are to be supplied to the Foundation. An Acquittal/Accountability Grant pro forma will be available on the web site (currently under development). Now available from the TLF Secretary.**

**All Grant Applications must be submitted to the Foundation Secretary at least 10 days prior to a Foundation scheduled meeting to allow adequate time for the Directors to consider the Grant Application.**

Directors of the Foundation are available as speakers at Club dinner meetings to report on the Foundation and its activities.

**Paul Cairnduff**  
TLF Secretary

# Lions Awareness

## Lions Awareness Day—March 2nd

- ♦ Plan a BBQ for your community
- ♦ Hand out balloons and information flyers and club information brochure
- ♦ Work in conjunction with your local council to promote the day
- ♦ Have a picnic in a local park and invite the community along
- ♦ Promote your event in the local newspaper and on your social media sites
- ♦ Thank the community for embracing your club whilst engaging in service
- ♦ Have literature available on the Foundations and Projects we support
- ♦ Lions “Say Thank You” Community Day

Please include MEMBERSHIP as part of your agenda

Could all clubs please forward an email to the District GMT Co-Ordinator PDG D “Toby” Crawford [gmtchairman@lionstasmania.org](mailto:gmtchairman@lionstasmania.org) so we can keep a register of what is happening on the day. It may be that another club may like to join in with your club’s planned event.

Please forward photos and a few sentences after your event to [editor@lionstasmania.org](mailto:editor@lionstasmania.org) so we can share the great work being done by Lions in Tasmania.

### Progress Report

Nationally the response to Campaign 100 **has been less than spectacular.** As a consequence the MD target for 2018-19 has been reduced. This now brings the 201T1 target from the initial US\$50,700 to US\$15,870. As of 31 Jan, 13 Clubs have made donations to LCIF totalling US\$5,475. We still have a long way to go to reach the revised target for the year. Traditionally in our District donations have been made by Clubs and only occasionally by individual Lions and then in most cases through their Club. It should be noted that when individual donations are made either in their own name or through their Club, the donation is credited to the Club for the purpose of the annual requirement for Club Excellence Awards. Clubs are reminded that for recognition for a Club Excellence Award donations need to be received and banked by the Cabinet Treasurer before the end of May.

To support personal donations by Lions special recognition pins are available for various levels of donation -

\$75  
(One-star)

\$140  
(Two-stars)

\$280  
(Three-stars)

### Club LCIF Coordinators :

Clubs should note that with the coming Club Officer elections the requirement to elect a Club LCIF Coordinator for the year. The member elected may also be an elected Board Member.

### Donations

Let us all strive to achieve our target for this year, We did it for the two SightFirst campaigns, we can do it again. Let's not wait for the need to arrive as with disasters : let's be prepared, as there will surely be disasters needing our assistance.

**John Gillham**

**LCIF District Co-ordinator**

# The "Eyes " Have It...Or Do They?

Dear fellow Lions,

A short report this quarter. I attended the District Convention at Devonport and set up a stand promoting Lions Eye Health issues and with assistance from Lion Boof Harper managed to keep it manned as being a Director of the TLF Saturday lunch period was a write off.

*Unfortunately, we didn't seem to be able to compete with other higher profile exhibits, but we keep trying. Many of the LEHP Ambassadors that attended sadly seemed to be involved with other varied programs.*

Lastly, my focus has been to try and get funding for **at least one Spot Vision camera and associated equipment** which at the time of writing has been decided by Tasmanian Lions Foundation, (3-2-2019) leaving only the Australian Lions Foundation being left to support the grant application for a sum of \$3600.00 each.

On behalf of the **Penguin, Kentish and Wynyard Lions clubs**, I wish to thank the **Tasmanian Lions Foundation** for acceptance of the application. All that remains now is for the **Australian Lions Foundation** to action that grant application in the near future.

*I have been a director of the TLF for fourteen years and have never seen so much support paper work requested for such a small sum of money ever, but at the end of the day.*

The building of a team of Vision Camera Operators to be trained is in hand in the North-West, A new Ambassador has been nominated to replace PDG Michael McLaren, he is Lion Tony Beldelph who has done the Online Training modules and now only needs the hands on training module to be fully certified with myself.

Lion Anne Fagg OAM, has now also completed the full online theory course for the use of the Spot Vision testing equipment and will now only have the practical to complete which will give us three fully trained operator/supervisors. Lion Anne can now start negotiating with an independent primary school to carry out training and testing of preschool and primary school pupils. Dependant on where the maximum number of people who wish to become operator come from will determine where we conduct the practical training module.

*LEHP Figures are now in hand for this Lions year for funding of the Lions Eye Health Program for all districts. 18 Clubs in our district donated per levy/donation a total of \$3852.00, leaving 32 clubs who choose not to support a Sight related program. Something my successor can build on.*

John C Medwin

District 201T1  
Chairman LEHP

## \$36 000 Raised For Children's Mobility

Thank all those Lions and Clubs who supported the request for used stamps

1. Stamps are sorted, trimmed and sold at auction, with all funds raised being donated to the **Australian Lions Children's Mobility Foundation** which then uses the money to purchase walkers for children with cerebral palsy or similar disabilities.  
- The motto of the Australian Lions Children's Mobility Foundation is **Walk with Pride.**
2. The mission statement is To fund mobility devices for children with disabilities, giving these children a chance to walk.
3. Last year at the Townsville MD Convention a record sum of \$25 500 was donated to this cause. This record can be proudly shared by all Clubs, businesses and individuals participating in this wonderful project.
4. **STOP PRESS** Already this year we have passed the \$36 000 mark in 8 months

All stamps to be sent to me at 11 Camina Court, Riverside 7250

**Peter Burke Convenor.**

# "Anna's Quest" Bound For The Phillipines

With permission of District Governor Vere Cooper

To President and members Lions Clubs of Tasmania

Through my son Rick (ex-lion) I am associated with a group of people who are working to put together a ship load of supplies to take to the Philippines to benefit children in need, with school books, clothes and medical supplies etc.

The project was undertaken by a friend's wife (Filipino) as a humanitarian project.

The small ship was given to the group to start the project moving by Tas Ports.

Malcolm and Anna McDougall and their project are in the middle of a quandary!

Project Philippines Australia Inc., a not for profit organisation has been fighting for the last 5 years

The old 40 metre Fishing Trawler CORVINA was offered to the pair back in 2013 for a \$1, the Port just wanted it to be gone!

Renamed, the vessel "ANNA'S QUEST" once completed is capable of being able to carry 170 tons of stores, 40 cubic metres of freezer space, 70,000 litres of fuel, 370kw of power and room for livestock and even a workshop. They would be helping the people of the Philippines and other Non-Government Organizations (NGO), alike. It could even be used for emergency accommodation and possibly as a temporary hospital.

## The Goal

To have the Vessel ready to sail by mid-March 2019 to enable them to get to the Philippines before the Cyclone season, this will be the third time they have tried!

## Strengths

Through the tireless efforts of many volunteers and sponsors a lot of the work has already been done, some \$380,000 worth of man hours, the Vessel has had a lot of work started to get her sea ready and the collection of very needy supplies nearly complete, many tons of bedding, hospital beds, medical equipment, children's clothes, toys etc.

## Weaknesses

Financial assistance is required to get the project over that last hurdle and satisfy the powers to be, last slipping, bridge electronic equipment, fuel, insurance etc. to the tune of \$153,000. All these things have ultimately become the problem, you know the chicken before the egg, we won't let you go unless you have these things in place etc.!

The TV programme Australian Story wants to do a story on the voyage, just imagine the coverage this could have all over Australia for Lions International and to Lions of T1

My Son Rick (who is third Officer of the Ship) is writing a business plan for this venture and has suggested to me that I contact the Lions of the Philippines and tell them what we are doing.

Part of this grand plan to help those in need around the Cebu area is to deliver a boat, renamed very aptly "ANNA'S QUEST", and sail it to the Philippines and among other things, using it as a maritime trainee ship. The ship will be used to deliver aid and give valuable skills to locals. Upon delivery it will be completely re-furbished by Regency marine in Cebu and managed by them under Anna and Project Philippines Australia supervision.

I have arranged in consultation with the master of the vessel that for any Lions aid he will fly the Lions flag at all ports of call

**It has been suggested that if every club in T1 was to donate as little as \$2,000 each this would be enough to float the project and enable them to leave on time, of course if a club wishes to donate more then so be it.**

The easiest way to make a donation is to deposit it into the Project Philippines Australia bank below and to let me know when and how much so I can keep a tally, all contributions will be acknowledged.

Trusting your response is positive

I thank you for listening to my plea

Yours in Lions

## George Ventures South

I recently attended as guest speaker a special meeting that was called by **Zone Chairman Peter Goldstone-James in New Norfolk** with bushfires raging around us. Lion Peter did a fantastic job in arranging the four clubs to this meeting instead of me having to make four trips down south. (Thank you New Norfolk, Glenorchy, Brighton and Clarence.) We had a great night with about 30 lions attending to hear how we are assisting these small children to become mobile.

***Our District has now helped some thirty children by raising over \$45,000 these past four years; a great achievement from such a small District.***

I will be in Hobart again in March to assist Clarence as they organise their "Run the Beaches" for ALCMF. Lion Beth has now given me a new title for this event.... "State Ambassador" for ALCMF, I am honoured.  
**George Bugeja**

Right: Zone Chairman Peter Goldstone-James thanks ALCMF Chairman George Bugeja for his Southern visit.

Below: A well attended presentation (by all ages) in New Norfolk

## Support Your Upcoming Leaders

### Emerging Lions Leadership Institute

Dates: 12th – 14th April 2019

Location: Sydney, Australia

Application deadline: 28th January 2019

*The Emerging Lions Leadership Institute focuses on building the skills required to become leaders at the club levels, including the position of club president. Candidates must be Lions that have served on a club committee and have yet to attain the position of Club President. Current Charter Presidents are eligible.*

The skills gained by attending either of these Institutes would certainly be of advantage to your club and contribute to the personal growth of the applicant who no doubt will continue to use those skills to benefit all members.

Completed applications should be returned to the **GLT Co-ordinator** at [glt@lionstasmania.org](mailto:glt@lionstasmania.org)

James Saville GLT Co-ordinator 201T1

**Anne Fagg New Voices Leadership 201T1**
